FREESTANDING ELECTRIC FIRE

ZAM20

Zamora

The Zamora is a freestanding fire complete with Optiflame effect, real coals and is designed to fit "flat-to-wall". With a contemporary design and black and chrome effect finish, it will complete the look of your room and give it a cosy finish.

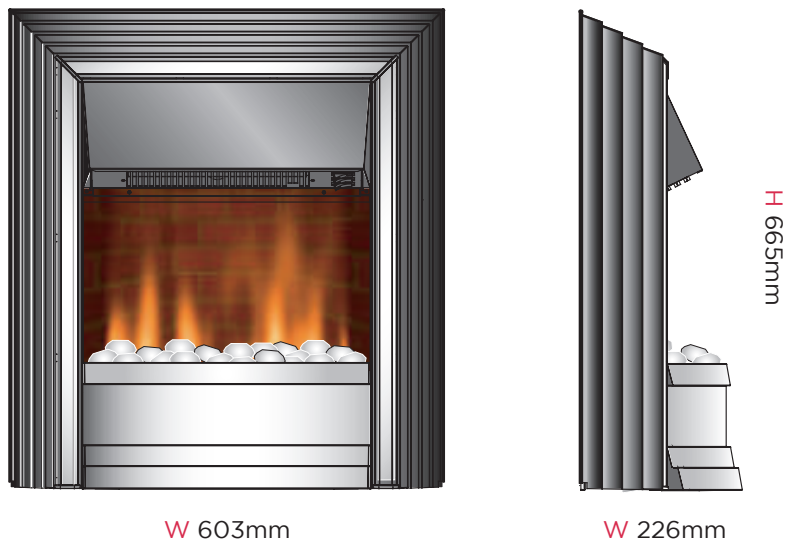

Complete with a choice of real coal or white pebble fuel bed (they are both included in the pack).

The Zamora electric fire features a Optiflame flame effect which can be used with or without heat and instantly adds an inviting, warming glow to the room. This fire is operated manually and the function controls are located on the unit.

The Zamora will give your home a snug, welcoming ambiance at any time of year.
