

REDRING Selectronic Premier

Please Note:- The fitting of all spares should be supervised by a suitably qualified person

Part No.	Description	Part No.	Description
93594102	Triac PCB	93594147	Complete Remote Control Set
93594104	Flow Valve Assy (No Outlet)	93594148	Remote Control Wall Bracket c/w Screws
93594105	Valve Stepper Motor	93594150	Backplate Rubber Seal Set
93594117	Flow Transducer	93594151	Remote Control Battery Cover
93594135	Front Cover Complete	93594152	Remote Control Battery
93594136	Heat Exchanger 8.5kW	93594153	Receiving PCB
93594137	Heat Exchanger 9.5kW	93594154	Solenoid Valve c/w Seals
93594138	Heat exchanger 10.8kW	93550895	6-Mode Handset White/Grey
93594139	Thermal Cut-Out c/w Cables	93550896	1.25m Long Chrome Shower Hose
93594140	Outlet Connector c/w Temp Sensor	93550897	2m Long Chrome Shower Hose
93594141	Cable/Pipe Entry Set	93593522	Wall Bracket Set (Std Models)
93594142	PRV Housing Complete	93550834	Wall Bracket Set (Plus Models)
93594143	Main Logic Board	93593526	22mm x 455mm Bright Riser Rail
93594144	Inlet Filter Housing Complete	93550864	22mm x 1m Bright Riser Rail
93594145	Backplate Trimplate	93550899	Height Adjuster Assy
93594146	Backplate Side Section		

Diagram 34

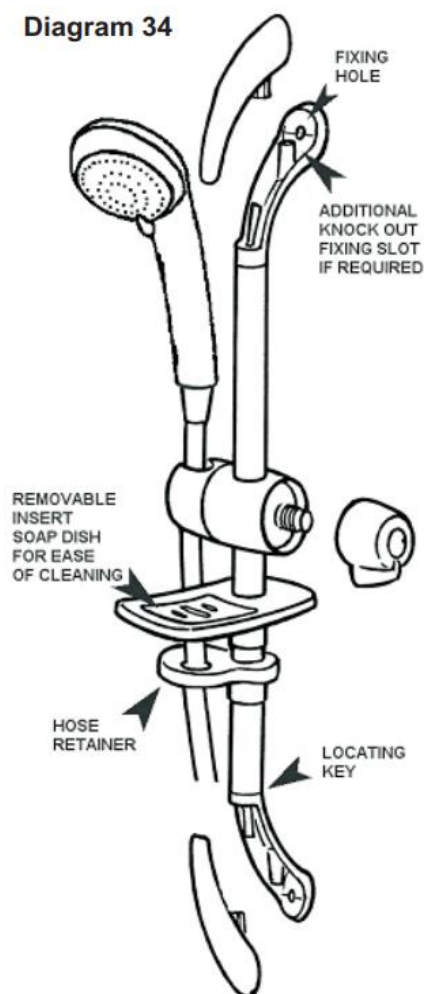

Diagram 35

If the Shower Hose supplied has protective plastic caps on the hose cones, please remove them and then:
Connect the hose cone ends to the Shower Outlet and the Handset as shown in the diagram below.
