

Xpelair Ripple Fan Range

Xpelair: A brand of the GDC Group Limited, trading as Glen Dimplex
Heating & Ventilation

Installation and Maintenance Instructions

067012 - XR100S Xpelair Ripple Standard 4" Fan

067036 - XR100T Xpelair Ripple Timer 4" Fan

- Do read the entire instruction leaflet before commencing installation.
- Do install each fan with a means for disconnection in all poles in the fixed wiring.
- Do make sure the mains supply is switched off before attempting to make electrical connections or carry out any maintenance or cleaning.

Please leave this leaflet with the fan for the benefit of the user.

UK customers:

If you have any queries before or after installing this product call the Customer Helpline +44 (0)344 879 3588. Our engineers are there to help you during normal office hours.

Customers outside the UK should contact your local Xpelair distributor.

This appliance is intended for connection to fixed wiring.

Check that the electrical rating shown on each fan matches the mains supply.

THE APPLIANCE IS DOUBLE INSULATED AND DOES NOT REQUIRE AN EARTH CONNECTION.

All installations must be supervised by a qualified electrician. Installations and wiring must conform to current IEE Regulations (UK), local or appropriate regulations (other countries).

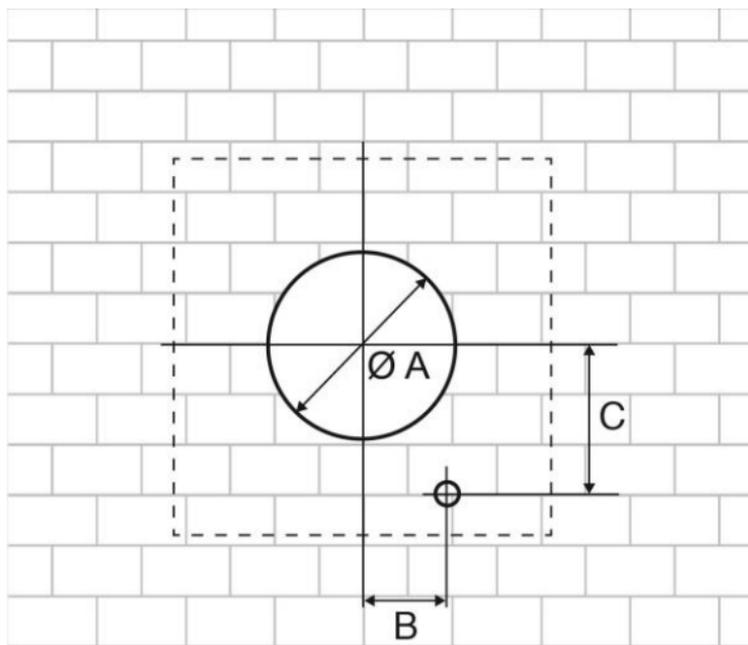

This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning the use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance.

Cleaning and maintenance of the appliance shall not be made by children.

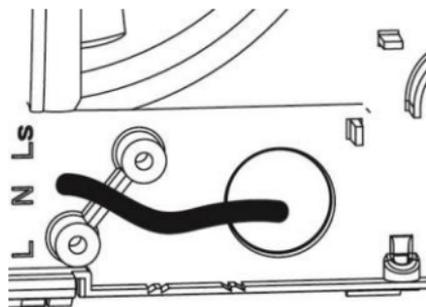

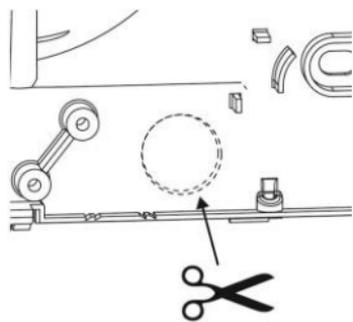

Where to locate the fan.

- Locate it as high as possible.
- At least 110mm from the edges of the mounting surface to the centre of the hole.
- As far away as possible from and opposite to the main source of air replacement to ensure airflow across the room (e.g. opposite the internal doorway).
- Near the source of steam or odours.
- **Not where ambient temperatures are likely to exceed 50°C.**
- **If installed in a kitchen fans must not be mounted immediately above a cooker hob, or eye level grill.**

- If installing in a room containing a fuel burning device which has a non-balanced flue, it is the installer's responsibility to ensure that there is enough replacement air to prevent fumes being drawn down the flue when the fan is operating up to maximum extract. Refer to Building Regulations for specific requirements.
- Exhaust air must not be discharged into a flue used for exhausting of fumes from appliances supplied with energy other than electric. Requirements of all authorities concerned must be observed for exhaust air discharge and intake flow rates.
- Not suitable for use in possible chemical corrosive atmospheres.

	$\varnothing A$	B	C
10/4"	100,0	37,20	64,50

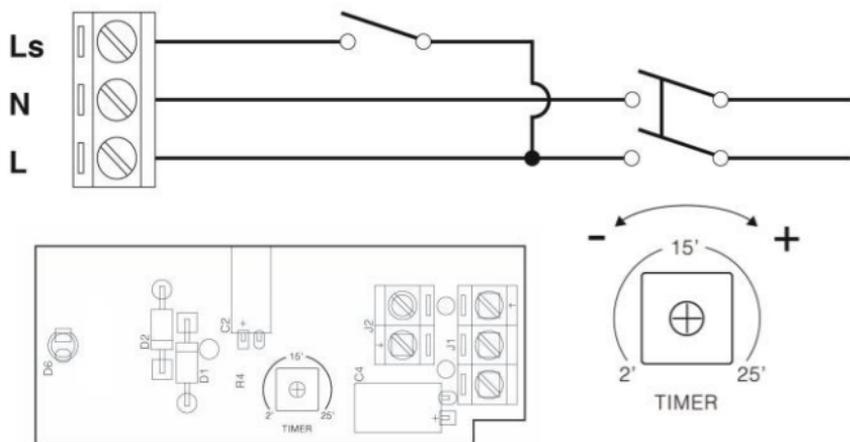

A means for disconnection in all poles must be incorporated in the fixed wiring in accordance with wiring regulations

XR100S

XR100T

For fixed wiring circuits the protective fuse for the appliance must not exceed 5A

Warranty

What does an Xpelair Warranty cover?

Xpelair products deliver reliable service for normal, household use in domestic settings. All Xpelair products are individually tested before leaving the factory.

If you are a consumer and you experience a problem with your Xpelair product, which is found to be defective due to faulty materials or workmanship within the Warranty Period, this Xpelair Warranty will cover repair or - at the discretion of Xpelair – replacement with a functionally equivalent Xpelair product.

The Xpelair Warranty Period is two calendar years from the date of purchase of your Xpelair product, or the date of delivery of the product, if later. The Xpelair Warranty is conditional upon you providing the original purchase receipt as proof of purchase. Please therefore retain your receipt as proof of purchase.

If you do experience a problem with your Xpelair product please call the Helpline on **+44 [0]344 879 3588** or at the address below.

We will need details of your Xpelair product, and a description of the fault which has occurred. Once we receive your information and proof of purchase we will contact you to make the necessary arrangements.

Customers outside UK – see international below.

If your Xpelair product is not covered by this Xpelair Warranty there may be a charge to repair your product. However, we will contact you for agreement to any charges before any chargeable service is carried out.

What is not covered by an Xpelair Warranty?

The Xpelair Warranty does not cover any of the following:

- Any fault or damage to your Xpelair product due to faulty materials or workmanship occurring outside the two-year Warranty Period.
- Any fault or damage occurring to any pre-owned Xpelair product or to any other equipment or property.
- Accidental damage to your Xpelair product or damage to your Xpelair product from external sources (for example, transit, weather, electrical outages or power surges).

- Fault or damage to your Xpelair product which is:
 - Not due to faulty materials or workmanship or which is due to circumstances outside Xpelair's control.
 - Caused by use of your Xpelair product for anything other than normal domestic household purposes in the country where it was purchased.
- Caused by any misuse, abuse or negligent use of the Xpelair product, including but not limited to any failure to use it in accordance with the Operating Instructions supplied with the product.
- Caused by any failure to assemble, install, clean and maintain your Xpelair product in accordance with the Operating Instructions supplied with the product unless this was carried out by Xpelair or its authorised dealers.
- Caused by repairs or alterations to your Xpelair product not carried out by Xpelair service personnel or its authorised dealer(s).
- Caused by use of any consumables or spare parts for your Xpelair product which are not Xpelair specified.

Terms and Conditions

- The Xpelair Warranty is valid for Xpelair from the date of purchase of your Xpelair product from a recognised retailer in the country of purchase and use, or the date of delivery of the product if later, always provided the original receipt has been retained and is produced as proof of purchase.
- You must provide to Xpelair or its authorised agents on request the original receipt as proof of purchase and - if required by Xpelair - proof of delivery. If you are unable to provide this documentation, you will be required to pay for any repair work required.
- Any repair work under the Xpelair Warranty will be carried out by Xpelair or its authorised dealer(s) and any parts that are replaced will become the property of Xpelair. Any repairs performed under the Xpelair Warranty will not extend the Warranty Period.

- Any replacement of your Xpelair product by Xpelair during the Warranty Period will start the two-year Warranty Period afresh from the date of delivery of the replacement Xpelair product to you.
- The Xpelair Warranty does not entitle you to recovery of any indirect or consequential loss or damage including but not limited to loss or damage to any other property.
- The Xpelair Warranty is in addition to your statutory rights as a consumer and your statutory rights are not affected by this Xpelair Warranty.
