

XIMX 100T

Inline Mixed-flow Extract Fan

The Xpelair XIMX 100T is a plastic inline mixed flow fan designed to ventilate bathrooms and shower rooms.

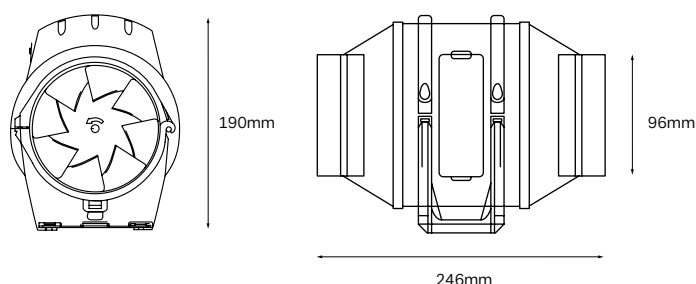

The fan comes complete with a convenient mounting cradle which makes installation or subsequent inspection straightforward. Plus the terminal box is easily accessible, simplifying the electrical connection.

XIMX 100T is a timer fan. This means that it continues to run for a period (can be set between 2 and 30 minutes) after the external switch is turned off.
