

Sahara LFE Bronze

Disability control handle

Sahara LFE Pewter

Sahara LFE Bronze

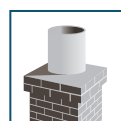

Sahara LFE Electronic Gas Fire

The Sahara LFE features a distinctive canopy in a pewter or bronze finish and this glass-fronted model combines good looks with living flame technology. With an impressive heat efficiency of 88% and a powerful 4.4kW heat output, it is ideal for those rooms that require maximum heat. Boasting electronic ignition for ease of operation, the top positioned control features four heat positions. A special disabled control handle comes as standard. The Sahara LFE also comes complete with the RW Safeguard safety system.

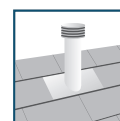

Features:

- Powerful 4.4kW heat output
- 88% Efficient
- Fitted with heat exchanger technology
- Top control – 4 heat positions
- Electronic Ignition
- Fitted with RW Safeguard
- Disabled control handle
- Available in Bronze or Black
- Suitable for natural gas
