

# TPRIII NC

No controls panel heaters

A range of panel heaters without any integral controls for use in applications where external control of temperature and time programming is required.

## Key features

- Convected heat for rapid warm-up
- Suitable for domestic or commercial use
- Front heat outlet grille for efficient heat circulation
- Detachable hinged wall mounting bracket for fast installation and easy cleaning

No built-in controls to enable external time and temperature control.

## Technical Specification

- Element – mineral-filled sheathed type
- Finish – white powder coated steel
- Protection – auto reset thermal cut-out
- IP rating – IPX4 (splashproof)
- Supply – 230/240V AC single phase
