- ◆ Requires only an electric connection
- ◆ Can be added to simply & easily
- ◆ No chance of leaks

Accurate & Dependable

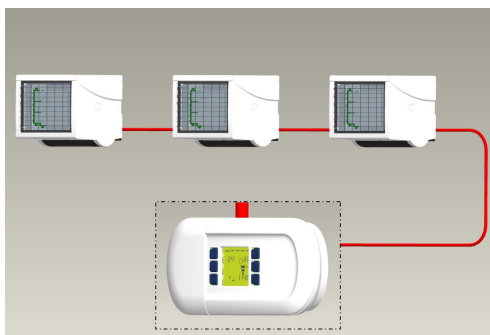

**We use Dimplex
products all the time,
we know they won't give any
problems, so the manufacturer was
our first choice.**

Mr Sexton, RT Harris & Son

- ◆ Accurate digital control
- ◆ Thermostatic operation
- ◆ 24 hour / 7 day time control
- ◆ 5 hour timed runback
- ◆ Multiple heater control
- ◆ Easy connection system

**Dependable "daisy-chain"
connections make buildings
small or large easy to heat.**
