

Zone Heating

Heat *only* where you need it.

- ◆ Highly directional heat for low cost heating in larger buildings
- ◆ Heats only a "zone " of heat to save energy
- ◆ Instant heat effect with no delay
- ◆ Lowers building carbon emissions*
- ◆ Low maintenance with no annual safety checks
- ◆ No gas needed
- ◆ No leaky plumbing to worry about!

* legacy system dependant

Heat without delay

- ◆ Choice of outputs
- ◆ Robust construction
- ◆ Suitable for use with auto controls
- ◆ Quick & easy to install
- ◆ Angle mounting adjustment
- ◆ Silent Operation
