

CX10 & CMF

Commercial ceiling-mounted fans

CX10

CMF

The CX10 and CMF are flush-mounted ceiling extract fan units, which come complete with an intake grille finished in white. The CX10 has an integral duct connection spigot (203mmØ), while the CMF has a side entry spigot (150mm Ø) plenum box. Applications include kitchens, larger utility rooms, pub bars, schools and shops.
